ARC

Technical description:

Cylindrical ceiling luminaire with built-in 230V power supply.
Structure in extruded aluminum painted with epoxy-polyester powders.
Luminaire equipped with optics guarantee excellent performance and light control,
with different beam angles and optimal intensity.

Installation:

Ceiling mounting.

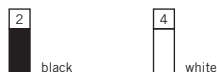

Dimension:

ARC

Ø = 65 mm L = 200/400/800 mm

Finishes:

ARC 200 6w, 230V, 3000°K, 615lm, 102,5lm/w, CRI>90
ARC 400/800 9w, 230V, 3000°K, 1200lm, 133lm/w, CRI>90

Available with DALI dimmeration.

Only ARC 400/800

Available in 4000°K version.
