### MX0\_27

#### Technical description

Modular system made of extruded aluminium for trim recessed installation.  
Epoxy powder painted in ultramatt white finishing.

The satin polycarbonate diffuser is 1,4 cm retracted from profile lower part, in order to obtain more comfort and a better control of the beam.

The system can be wired with LED strips 24V kits, where the driver is remote positioned and the polycarbonate diffuser covers all the profile length, creating a continuous lighting effect.

#### Installation:

Only trim recessed with fix brackets.

#### Dimensions:
